"Every Student A Scholar"

October 31, 2008

Dear Parents,

We have an exciting project that we hope all of our students can participate in as we strive to instill the value of community service in each student.

In the spirit of Christmas, which commemorates the greatest gift of all, God's gift of His Son Jesus Christ, we are establishing a Christmas Gift Giving Program. Through this program our children will have the opportunity to develop a sense of giving and satisfaction by providing gifts to children who may not be as fortunate. We are asking each student to purchase an inexpensive gift for a child at (Salt Marsh Elementary School) in Jamaica, West Indies. The gift will be for a child of the same age and gender. An approximate price range for the gifts could be from \$5 to \$25. For example, a 6 year old girl can purchase a Dora Explorer doll for a 6 year old girl, and a 12 year old boy can purchase a digital watch for a 12 year old boy.

Since the gifts have to pass through customs when they are shipped to Jamaica, we are asking that the gifts remain unwrapped. ***Please send the gifts to school by November 28***, so that we will have enough time to ship them to Jamaica before Christmas.

Your child's participation in this project would be greatly appreciated, and we are confident that he or she would also benefit greatly from this experience.

Sincerely,
Clive Earle, Elementary Principal
Rev. Paul Meyerend, High School Principal
