

How Do **Skratchers** Fundraising Cards Work?

It's easy and it's fun! Each person in your group begins fundraising with 1 **Skratchers** card.

They simply approach friends, family, and close neighbors and ask them to **SCRATCH FOR IT!**

The card remains with the seller until all dots are scratched off. **Each card will raise a total of \$100!**

1

Ask your donor to scratch 2 or more dots. Donation amounts vary between \$.50 and \$3.00.

2

Your donor donates the total of the amounts uncovered.

As a 'Thank-you', you give your donor a FREE coupon sheet with over \$50 in valuable coupons!
