Referral Incentives for Parent

A Parents' Referral option has previously been in place over the years. It is available to parents who refer others to attend Christian Heritage Academy. The incentive option has been changed this year to allow even for a single student referral. The incentive options are:-

- Parents who refer 2 or more children to CHA for the school year can receive one month's tuition off their bill for the year of referral. Referral cards are available at the front desk. With the referral card, registering parents will get a 50% rebate off the normal registration charge of \$100.
- Parents who refer a single student during the school year are eligible for a \$250 off the tuition for the school year. Parents with children on scholarships or assistance plans may not qualify. No funds will be paid out to parents. The 50% rebate referral cards also can be used by parents.
